What's changing for 2022

Here's an overview of what you can expect

Health savings account (HSA) contributions

The maximum contribution to an HSA for 2022 is \$3,650 for individuals and \$7,300 for families. If you are age 55 or older, you can make an extra catch-up deposit of \$1,000 in 2022.

New vision plan administrator

Starting Jan. 1, 2022, VSP will be administering the PEBC vision plan. Although VSP matched the previous plan, there could be slight changes to coverage, and Denton County is now offering a high/low option. In addition, the contact information for your vision plan will change. For more information, turn to page 30 of this guide.

New dental plan administrator

Starting Jan. 1, 2022, Delta Dental will be administering PEBC dental plan benefits. While there are no changes to coverage, the contact information for your dental plan will change. For more information, turn to page 32 of this guide.

New fitness benefit with the Group Medicare Advantage PPO (MPO) and HMO (PMA) plans

Effective Jan. 1, 2022, the fitness benefit included with the UnitedHealthcare Group Medicare Advantage PPO (MPO) and HMO (PMA) plans will move from SilverSneakers® to Renew Active™. See page 45 for more information.

New post-discharge benefit through UnitedHealthcare® Healthy at Home

Effective Jan. 1, 2022, the UnitedHealthcare Group Medicare Advantage PPO (MPO) and HMO (PMA) plans will include the Healthy at Home program designed to help members transition back home after an inpatient admission or a convalescent stay. See page 46 for more information.
