

HealthEquity® Visa® Card¹

One card. Multiple accounts.

A fast, convenient way to pay for eligible expenses

The HealthEquity® Visa® Card works with multiple eligible HealthEquity accounts.²

-  Health Savings Account (HSA)
-  Flexible Spending Account (FSA)
-  Limited Purpose Flexible Spending Account (LPFSA)

Account prioritization

This new card will automatically draw from the account appropriate for the eligible expense. For example, if you have an HSA and LPFSA, then it will draw first from the LPFSA for dental and vision expenses. Once those funds are depleted, it will access funds from your HSA. Please consult your employer's plan document..
